

Procurement Regulations for ADB Borrowers

In application of the Procurement Policy of ADB, the purpose of these Procurement Regulations for ADB Borrowers ("Regulations") is to inform those carrying out a project that is financed in whole or in part by way of an investment loan from ADB, ADB-financed grant, or by ADB-administered funds of the regulations that govern the procurement of goods, works, and nonconsulting and consulting services required for the project.

These Procurement Regulations apply to all projects with concept notes approved **on or after 1 July 2017**.

As of January 2026, the Procurement Regulations have been replaced by the Procurement Directive for ADB Borrowers (ADB Procurement Directive).

For all other ongoing projects, please see:

- Procurement Guidelines (for goods and works contractors)
- Guidelines on the Use of Consultants by Asian Development Bank and Its Borrowers (for individual consultants and consulting firms)
